Notes:

1. A member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote instead of himself / herself and the proxy so appointed need not be a member of the Company.

The instrument appointing the proxy and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy of that power or authority shall be deposited at the registered office of the Company not later than 48 hours before the time fixed for holding the meeting.

A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate

not more than ten percent of the total share capital of the Company. However, a single person may act as a Proxy for a member holding more than ten percent of the total voting share capital of the Company provided that such person shall not act as a Proxy for any other person.

2. The Statement pursuant to Section 102 of the Companies Act, 2013, with respect to the special businesses to be transacted at the Meeting is annexed hereto.
3. The Register of Members and the Share Transfer books of the Company will remain closed for 2 days from 29th July 2015 to 30th July, 2015 (both days inclusive) for annual closing and determining the entitlement of the shareholders to the dividend for 2014-15.
4. The dividend of Rs.5/- per share has been recommended by the Board of Directors for the year ended 31st March, 2015 and subject to the approval of the shareholders at the ensuing Annual General Meeting, is proposed to be paid on or before 7th August, 2015.
5. Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrars cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members. Members holding shares in physical form and desirous of either registering bank particulars or changing bank particulars already registered against their respective folios for payment of dividend are requested to write to the Company or the Share Transfer Agent.
6. Under Section 205A of the Companies Act, 1956, and Section 124 read with Section 125 of the Companies Act, 2013, (including any statutory modification(s) or re-enactment thereof for the time being in force) the amount of dividend remaining unpaid or unclaimed for a period of seven years from the due date is required to be transferred to the Investor Education and Protection Fund (IEPF), constituted by the Central Government. The particulars of due dates for transfer of such unclaimed dividends to IEPF are furnished in the report on Corporate Governance forming part of the annual report.

The Ministry of Corporate Affairs (MCA) on 10th May, 2012 notified the IEPF (Uploading of information

WABCO INDIA LIMITED

regarding unpaid and unclaimed amounts lying with companies) Rules, 2012 (IEPF Rules), which are applicable to the Company. The objective of the IEPF Rules is to help the shareholders ascertain status of the unclaimed amounts and overcome the problems due to misplacement of intimation thereof by post etc. In terms of the said IEPF Rules, the Company has uploaded the information in respect of the Unclaimed Dividends in respect of the financial years from 2007-08, as on the date of the 10th Annual General Meeting (AGM) held on 22nd July 2014 on the website of IEPF viz., www.iepf.gov.in and under "investor section" on the website of the Company viz., www.wabcoindia.com.

A separate reminder was also sent to those members having unclaimed dividends since 2008. Members who have not encashed their dividend warrants are advised to surrender the unencashed warrants immediately to the Company or the Share Transfer Agent and to claim the dividends.

7. Members holding shares in physical form, in their own interest, are requested to dematerialize the shares to avail the benefits of electronic holding / trading.
8. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
9. As a measure of economy, copies of the Annual Report will not be distributed at the venue of AGM. Members are, therefore, requested to bring their copies of the Annual Report to the meeting.
10. Members are requested to affix their signatures at the space provided on the Attendance Slip annexed to Proxy Form and hand over the Slip at the entrance of the meeting hall. Corporate members are requested to send a duly certified copy of the board resolution / power of attorney authorizing their representatives to attend and vote at the AGM.
11. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company.
12. Details under Clause 49 of the Listing Agreement with the Stock Exchange in respect of the Directors seeking appointment at the Annual General Meeting, forms integral part of the notice. The Directors have furnished the requisite consent and declaration for their appointment.
13. Electronic copy of the Annual Report for the financial year ended 31st March 2015 is being sent to all the members whose e-mail IDs are registered with the Company / Depository Participant(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Annual Report are being sent in the permitted mode.
14. Electronic copy of the Notice of the 11th Annual General Meeting of the Company *inter alia* indicating the process and manner of e-Voting alongwith Attendance Slip and Proxy Form is being sent to all the members whose email IDs are registered with the Company / Depository Participant(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Notice of the 11th Annual General Meeting of the Company *inter alia* indicating the process and manner of e-Voting alongwith Attendance Slip and Proxy Form are being sent in the permitted mode.
15. Members may also note that the Notice of the 11th Annual General Meeting and the Annual Report for 2015 will also be available on the Company's website: www.wabcoindia.com for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office in Chennai for inspection during normal business hours on working days. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same, by post free of cost. For any communication, the shareholders may also send requests to the Company's investor email ID: investorcomplaintsstta@scl.co.in / info.india@wabco-auto.com.

Ms. Lisa Brown was appointed as a non executive non independent director by the Board of Directors of the Company with effect from 23rd January, 2015 in the casual vacancy caused by the resignation of Mr. Michael E. Thomson. He would have retired at the forthcoming Annual General Meeting had he not resigned. Ms. Brown will hold office upto the date of this Annual General Meeting, in terms of Section 161(4) of the Companies Act, 2013.

Ms. Brown holds Bachelor of Laws, University of Derby, and she is a registered Trade Mark Attorney and member of the Institute of Trade Mark Attorneys. She is currently Vice President, Legal & Secretary for WABCO Holdings Inc.

Before joining WABCO Holdings Inc., she was associated with SSL International Plc, London, United Kingdom in various positions including as Group Head of Legal and Intellectual Property until March 2011. She joined WABCO Holdings Inc, where she served as Senior Legal Counsel until May 2015.

She does not hold any shares in the Company and she is not related to any other director of the Company. The Board recommends her appointment as a director liable to retire by rotation in view of her vast knowledge and experience.

Ms. Brown is interested in the resolution at Item no.5 of the Notice since it relates to her own appointment as a Director. None of the other Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise in the resolution set out at Item no.5. The above may also be regarded as a disclosure as required by Clause 49 of the Listing Agreement.

Item No. 6

Mr. Jorge Solis was appointed as a non executive non independent director by the Board of Directors of the Company with effect from 20th May, 2015 in the casual vacancy caused by the resignation of Mr. Leon Liu. Mr. Liu would have retired at the forthcoming Annual General Meeting had he not resigned. Mr. Jorge will hold office upto the date of this Annual General Meeting, in terms of Section 161(4) of the Companies Act, 2013.

Mr. Jorge holds Bachelor's Degree in Industrial and Systems Engineer from ITESM, Mexico and holds Masters in Business Administration. He has over 20 years of experience in automotive industry and he is currently associated with WABCO Global as Vice-President for DLSC Business unit (BU Drive Line and Suspension controls).

He was Branch Purchasing Director of VALEO, France and he was associated with VALEO from 1995 to 2013. He has served as SQA and Quality manager, Purchasing Director of VALEO before joining WABCO Group.

The Board recommends his appointment as a director liable to retire by rotation in view of his vast knowledge and experience. Mr. Jorge is interested in the resolution at item no.6 of the Notice since it relates to his own appointment as a Director. He does not hold any shares in the Company and he is not related to any other director of the Company. None of the other Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution. The above may also be regarded as a disclosure as required by Clause 49 of the Listing Agreement.

Item No. 7

Pursuant to Section 148 of the Companies Act, 2013 and Rule 4 of Companies (Cost Records and Audit) Rules, 2014 including amendments and re-enactments and clarifications issued by the Ministry of Corporate Affairs, the Company is required to appoint Cost Auditor to audit the cost records of the applicable products of the Company.

Based on the recommendation of the Audit Committee at its meeting held on 20th May, 2015, the Board has, considered and approved the appointment of Mr. A.N Raman, as Cost Auditor for the financial year 2015-16 on a remuneration of Rs.4,00,000/- plus applicable taxes and reimbursement of out of pocket expenses at actuals. The remuneration payable to Mr. Raman requires to be ratified by the Members at the forthcoming Annual General Meeting. Hence, the resolution at item no.7 of the Notice. None of the other Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the resolution.

The Board recommends this resolution for approval of the Members.

Item No. 8

WABCO Europe BVBA (WABCO Europe) is a related party as defined in Clause 49(VII) of the listing Agreement between the Company and the Stock Exchanges on which the Company's shares are listed, since the Company is a fellow subsidiary of WABCO Europe BVBA, headquartered at Brussels, Belgium.

WABCO Europe is one the major overseas customers of the Company. The orders placed by WABCO Europe

WABCO INDIA LIMITED

are progressively growing year after year, which has significantly contributed to the increase in the Company's turnover and profits. During the year ended 31st March 2015 the following transactions were entered into by the Company with them:

S.No.	Nature of transaction	Amount (Rs. In Lakhs)
1.	Sale of Automotive Components by the Company	12,414.80
2.	Services rendered by the Company	2,398.23
3.	Services availed by the Company	552.98
	Total	15,366.01

The annual consolidated turnover of the Company as per the last audited financial statement (for the financial year ended 31st March 2014) is Rs. 1,137.91 Crores. The total transactions work out to about 14% of the company's turnover for 2013-14. Since this is in excess of the threshold limit of 10%, the transactions would be "material transactions" with a related party in terms of the revised Clause 49(VII) of the Listing Agreement effective from 1st October, 2014. Such material transactions require approval of the Shareholders of the Company by a special resolution.

The Company expects further growth in similar transactions with WABCO Europe in the course of the financial year ending 31st March 2016, which are also likely to be "material transactions". Hence approval of the members is being sought to the above material related party transactions entered into for the financial

year ended 31st March 2015 and to the similar transactions proposed to be entered into by the Company with WABCO Europe in the course of the financial year ending 31st March 2016.

Pursuant to Clause 49 (VII) of the Listing Agreement such approval of members is to be obtained by a special resolution. Hence, the special resolution at Item No.8 of the Notice. Voting by related parties on the special resolution will be governed by the applicable provisions of the Listing Agreement.

Agreements have been entered into by the Company with WABCO Europe in this regard and the material terms are: a) Credit terms of 90 days from the date of invoice; b) Warranty for a period of 12 months for the product specifications; and c) Mark-up on cost of raw materials, conversion cost and other relevant expenses.

Mr. Trevor Lucas, Ms. Lisa Brown, Mr. Jorge Solis and Mr. P. Kaniappan may be deemed to be interested in the above special resolution by virtue of their holding senior management positions in WABCO Europe and / or in other associate concerns of WABCO Europe. None of the other directors and key managerial personnel of the Company and their relatives, is concerned or interested, financially or otherwise in this item of business. The board recommends this resolution to the members for their approval.

Management discussion and analysis report

I. Industry Structure and Development:

i. Gross Domestic Product (GDP) Growth:

India's GDP growth for 2014-15 at 5.6% was marginally higher than the GDP of 2013-14. Table -1 shows India's real GDP growth rates (at factor cost) for various sectors broadly from 2010-11 to 2014-15.

Sector	2010-11	2011-12	2012-13	2013-14	2014-15 (Forecast)
Agriculture	8.6	5.0	1.42	4.71	2.9
Industry	7.5	7.8	0.96	0.35	3.6
Services	9.6	6.5	6.96	6.78	7.0
GDP (constant prices)	8.9	6.6	4.47	4.74	5.6

Source: Reserve Bank of India - Publications, Government of India.

The GDP growth in 2014-15 is driven by a significant growth in industrial production.

Industrial Growth:

On a cumulative basis in Apr'14 - March '15, IIP registered a growth of 2.82% as compared to previous year negative growth of 0.1%.

ii. Indian Commercial Vehicle Industry:

The Indian Commercial Vehicle (CV) Industry has witnessed a sign of recovery from its lackluster performance over past two years. Medium & Heavy Commercial Vehicle (M & H CV) is the major contributor for the out-performance of CV industry which grew around 17%. Positive market sentiment, resolution of the mining imbroglio and real spends on infrastructure are key factors to trigger a growth in the CV industry.

However in 2014-15, sale of Light Commercial Vehicles (LCV) declined by 13.8% as compared to the previous year. Performance of LCV market largely depends on overcapacity issues and constrained financing environment which were unfavorable to the LCV market and which is expected to perform reasonably in near future.

The competitive intensity in the domestic CV industry has increased over the past five years as new OEMs have entered the market while existing players have ventured into new segments and expanded their sales-cum-service network.

From fleet operator's perspective, sharp decline in diesel rates, moderate interest rates and hike in freight charges by railways impacted positively and operators were able to operate with full capacity which impacted positively in their cash flow and enhanced the sale of M & H CV. Table 2 shows the growth in production and sales of M & H CV from 2013-14 to 2014-15.

Table - 2 M & H CV Production and Sales numbers.

Figures in units

Category	2013-14	2014-15	Growth
M & H CV production	2,21,556	2,68,553	21%
M & H CV Sales	2,24,431	2,63,407	17%

II. Business outlook and overview

The macroeconomic situation in India has improved significantly during the year and current account deficit has contracted, the fiscal deficit target has been met, and investment project approvals are accelerating. In addition government's policy to boost the manufacturing and service sector and commitment to resolve mining and infra projects will give positive outlook for the year 2015-16. But high inflation, tax complexity, unpredicted monsoon and global slowdown continues to be a cause of concern for India in the next year.

Growth: The economic growth outlook for the year 2015-16 is to be in the range of 7.5% to 8% as estimated by various rating agencies and Government and international bodies, on the back of a high investment inflow, GDP growth coupled with new initiatives for manufacturing and service sector and accelerated project clearance. The mining sector is expected to overcome the recent past repercussion on government policy issues.

Inflation & Monetary Context: For more than a year now, inflation continues to remain untamed. Meanwhile, leakages in the food and petroleum sectors, the two key drivers of inflation persist. And critical road and rail infrastructure projects are progressing only slowly, preventing Indian businesses from exploiting the shortest possible routes to efficiently transport food, raw materials and petroleum products. The Reserve Bank of India (RBI) aims to

guide consumer price inflation to below 8% by January 2015 - and gradually to 4% over a three year horizon as part of its process to move toward an inflation-targeting monetary policy framework. As a favourable monsoon last year is limiting food cost gains, consumer price inflation has dropped in the past few months. The RBI noted that conditional on enduring disinflation; further monetary tightening is not anticipated in the near term.

III. Opportunities & Threats

The Company provides safety and vehicle control solutions to the commercial vehicle segment of the automotive industry. In connection to this, the Anti-Lock Brake Systems (ABS) legislation for M3 and N3 vehicles is getting implemented from Q3 15-16 which will result in increased business. Local market growth opportunities through increase in content per vehicle in the form of introducing new systems / technologies like Automated Manual Transmission (AMT), Automatic Slack Adjusters, Lift Axle control valve, Air Disc Brake, higher capacity compressors etc. The Jawaharlal Nehru National Urban Renewal Mission (JNNURM) tender Phase II has been renamed as Atal Mission for Rejuvenation and Urban Transformation (AMRUT). The bus program will be completed under JNNURM Phase I and urban transformation of 500 cities and towns will begin under AMRUT as a 10 year program. This is likely to boost the CV sector as production of trucks and buses will be essential for this infrastructure change.

In the Aftermarket side, further potential in retro fitment of Anti-Lock Brake Systems (ABS) for buses and LCV segment is being explored. Our focused efforts in Trailer segment have-boosted the sales considerably and Trailer Anti-Lock Brake Systems (TABS) and Trailer Electronic Brake Systems (TEBS) are also continued to be explored in this segment.

As a measure of improving the safety in passengers transport, zero leak programs at public transports, school and college buses are being carried out. Distributor branches are increasing their presence in B & C towns and that is resulting in availability of genuine parts in remote locations. Our authorized service center network is expanding and currently we have 200 service centers with Pan India presence to cater the customer requirements. These initiatives would result in improved service practices, availability of genuine parts and generate additional revenue for the Company.

The company's competitors have an active presence in India and are trying to establish a base through new investments in production and R & D facilities.

IV. Risks and concerns

The cyclical nature of the Indian commercial vehicle industry (Company's major customer segment) might affect the demand. In 2015-16, operating expenses are likely to rise with the expected increase in prices of key raw materials.

ALUMINIUM

In the domestic market aluminum Ingot prices rose by 12.2% during April to Dec 2014. Although domestic demand during this period was low with consumption declining by 7.9%, prices rose on the back of improved global demand. The London Metal Exchange (LME) index marginally rose by 3% y-o-y during Jan - Dec 2014, the impact on price contributed due to weaker Indian rupee against dollar by 4% y-o-y, in overall the procurement prices had an impact of 5% higher in 2014 compared to 2013. With demand for aluminum rising, we expect the production cuts imposed by manufacturers to be lifted in the coming months. China has increased its aluminum production even when other major producers implemented production cuts. This increase in supply is expected to cap the rise in aluminum prices globally to 3.4 percent in 2015-16. However the domestic market may witness a higher percent of increase during 2015 if the rupee weakens further against USD.

Since, major growth is expected from ABS and new technological products, new product launch at the right time will be the focus area. Suitable measures to ensure on time launch and supplies of new products have been factored in the company's operating plan. The OEM customers across the world would continue their pressure on price reduction from their suppliers. The Company plans to mitigate this risk through cost reduction initiatives such as design to cost, localization, process optimization and sourcing from the best cost countries.

Risk Management:

The Company has laid down procedures to inform Board members about the risk assessment and minimization procedures. These procedures are periodically reviewed to ensure that executive management controls risk through means of a properly defined framework.

V. Internal control system and their adequacy

The Company has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition thereof. All transactions are authorized, recorded and reported correctly. The internal controls are checked by internal auditors. The observations made by them, management action and time frame are reviewed by the audit committee of the Board of Directors. Concerns if any are reported to the Board.

VI. Operations review

A. Manufacturing

WIN 2.0 was a transformation initiative taken to change the mindset of employees at all levels and across locations. This was largely successful and gave good results in operations, supply chain and delivery performance. Our key customers have recognized and appreciated the transformation.

In 2013-14, the Company completed the construction of its plant near Lucknow in the State of Uttar Pradesh and in 2014-15, the manufacturing activities have increased and become manufacturing hub for north and central India customers. WABCO Owned warehouse in Pune was established during 2014-15 to cater to the needs of customers located in western India. Company initiated "Lean Equipment Development center" for frugal, high quality, low cost capital investments in new projects.

The Company's manufacturing facilities honing the best practices such as Total Quality Management (TQM), Total Productive Maintenance (TPM) and Lean Manufacturing and has best-in-class practices for safety, work environment, water and energy conservation. These initiatives are deployed companywide to achieve significant improvement in productivity and reduction in manufacturing cost.

Continuous improvement actions are implemented to improve manufacturing quality and productivity in all the manufacturing locations, challenging site layouts for more compact & efficient floor space utilization in Ambattur & Mahindra City plant. This helps in increasing the sales within the current floor space which is fully utilized now.

During the year under review, the company obtained awards and appreciation from customers, which include, "Quality Award" from Ashok Leyland Pant Nagar, "IMEA Gold award" from Frost & Sullivan for Mahindra World City plant, "Silver Trophy for Star Performer in Exports" from EEPC INDIA, "Award of Honor" for Ambattur plant and "Safety Appreciation" award for Mahindra World City plant from National Safety Council and NABL accreditation of materials & metrology lab for Ambattur Plant.

B. Quality

The quality system at the plants aims at achieving total customer satisfaction through its focus on improving product quality to world standards. This is achieved through total employee involvement and continuous improvement culture. Rigorous usage of poka-yokes, utilization of statistical tools for process optimization and control also contribute towards improving the product quality. Deploying global best practices like "8 steps of Quality Fundamental", "VDA 6.3" standards, helped us to reduce the defects significantly. 60% of our assembly lines are certified for 8 steps of Quality fundamentals, 24 assembly lines were upgraded for making them robust enough to prevent the generation of defects. Also new warranty process to do level zero inspection at customer end helped in speedy analysis and resolution of failures.

The same rigor introduced in supplier process to improve the child part quality. Front loading of quality deliverables in new projects is introduced to improve the new product quality.

The standardization of the quality procedures is aligned with QS 9000 / TS 16949 requirements. The Company is certified for TS 16949.

TQM is a way of life at the Company. 100% participation in employee involvement has been successful for the past 15 consecutive years.

Employees have completed more than 173 projects by applying statistical tools through QC Circles in 2014-15. The average number of suggestions implemented per employee is 48 in 2014-15 which is close to international benchmark.

QC circle, Cross functional teams of employees participated in external competitions conducted by industry bodies, Automotive Component Manufacturers Association (ACMA), Confederation of Indian Industry (CII), Association of Overseas Technical Scholarship (AOTS, Japan) and won prizes.

C. Cost management

The Company continues its rigorous focus on its costs through an effective cost deployment system. Value engineering and continuous change in design for easy application are the major cost reduction factors. Cost reduction workshops are conducted periodically to identify cost reduction opportunities on various product groups. Some of the strategies for cost reduction include material change, process change, source change etc. Commodity sourcing from prime producers helps in managing the cost effectively and efficiently.

Other significant cost reduction projects include;

- Usage of new generation cutting tools, thereby improving the productivity levels.
- 100 % returnable packing used during delivery of materials to key customers.
- Truck load optimization, production optimization for voluminous parts at Pant Nagar and Lucknow.
- Enhanced usage of Adiabatic cooling systems for chillers & utilizing third party power to reduce energy cost.
- Low cost automation to improve the productivity.

D. Information Technology

The Company uses ERP system that integrates all business processes across the Company as well as customers and suppliers. During the year, the Company has focused on further leveraging the ERP system by creating new plant configuration in SAP for Aftermarket business in Lucknow. Special focus was given towards paperless office wherein

e-CAPEX & e-REVEX system, Online Medical Management system, Online NABL certification etc. have been implemented to eliminate the non-value added activities. On the infrastructure front, the Company has implemented server Virtualization for business continuity, and Bring Your Own Device (BYOD) concept for messaging solutions.

VII. Human Resource Development

The Company focuses on attracting and retaining the best talent and enjoys a good brand image across leading educational institutions and talent pool. The current average hiring speed of the lateral talent is within 80 days. The Company blends successfully mid career recruitment with internally grown talent through a globally robust managed talent management process. Rewards and recognition system is in place to retain and provide fast track growth for high potential employees. Talent Retreat workshops are undertaken every year by the Leadership to identify such high potential employees and facilitate career moves within India and Global sites. Our Voluntary attrition rate is at 4.69%, while similar Industry attrition rates are at an average of 11.6%.

Potential talents are sponsored to overseas and inland universities for developing their capabilities to handle new technologies and management practices. Customized management development programs have been developed in partnership with reputed educational institutions to hone the leadership skills of the senior executives. "Next Gen" Leadership programs were conducted to identify and nurture critical mass of young, talented individuals with the potential to occupy key positions in the Company. "Let's Get Acquainted" is another unique initiative - a platform to

develop a cohesive work environment between supervisor and subordinate which enables them to complement each other and enhance their individual capabilities.

As of 31st March 2015, the Company had 1109 employees on its rolls.

VIII. Environment & Safety

Safety management is integrated with the overall Safety Health and Environment (SHE) management system. Further, the Company successfully observed "Safety Months" programs and conducted various safety awareness events for the employees. Chennai plant has been awarded with EHS Excellence award from CII Southern India for implementing the best EHS practices with 4 star rating.

The Company won the State Safety Award from Tamil Nadu Government for the best safety practices implementation and also awarded with Award of Honour from National Safety Council, Tamil Nadu chapter for the best SHE practices.

IX. Community development and social responsibility

As a corporate citizen, the Company believes in its social responsibility and community development activities. This year the team planned to contribute to the society through internal engagement of employees, resources and driving activities which would help the needy.

Your Company has taken various initiatives for community development during the year which are dealt in the CSR Report annexed to Directors' Report.

15. Non-mandatory disclosure

The non-mandatory requirements have been adopted to the extent and in the manner as stated under the appropriate headings detailed below:

15.1 The Board:

During the year, the Ministry of Corporate Affairs (MCA) has notified most of the provisions of the Companies Act, 2013 and made applicable with effect from 1.4.2014 viz., appointment of woman director, evaluation of performance of each director and of the Board as a whole and report on Corporate Social Responsibility etc.,

Accordingly, the Company has made disclosures in the Annual Report and complied with the applicable provisions of the Companies Act, 2013

15.2 Shareholder rights:

The quarterly results of the Company are published in English and vernacular newspapers and also displayed on the Company's website, namely www.wabcoindia.com. The results are not sent to the shareholders individually.

15.3 Audit Qualifications:

The statutory financial statements of the Company are unqualified.

16. Request to shareholders

Shareholders are requested to follow the general safeguards / procedures as detailed hereunder in order to serve them efficiently and avoid risks while dealing in securities of the Company.

Demat of Shares:

Shareholders are requested to convert their physical holding to demat / electronic form through any of the depository participants (DPs) to avoid any possibility of loss, mutilation etc. of physical share certificates and also to ensure safe and speedy transaction in securities.

Registration of Electronic Clearing Service (ECS) Mandate: ECS helps in quick remittance of dividend without possible loss / delay in postal transit. Shareholders, who have not earlier availed this facility, are requested to register their ECS details with the STA or their respective DPs.

Transfer of shares in physical mode:

Shareholders should fill in complete and correct particulars in the securities transfer form, for expeditious transfer of shares. Wherever applicable, registration number of power of attorney should also be quoted in the transfer deed at the appropriate place.

Shareholders, whose signatures have undergone any change over a period of time, are requested to lodge their new specimen signature duly attested by a bank manager to the STA.

Shareholders are requested to note that as per SEBI circular no. MRD/DoP/Cir -05/1009 dated 20th May 2009, it is mandatory for transferees to furnish a copy of Permanent Account Number (PAN) for registration of transfer of shares to be held in physical mode.

In case of loss / misplacement of share certificates, Shareholders should immediately lodge a FIR / Complaint with the police and inform the Company / STA with original or certified copy of FIR / acknowledged copy of complaint for marking stop transfer of shares.

Consolidation of Multiple Folios:

Shareholders, who have multiple folios in identical names are requested to apply for consolidation of such folios and send the relevant share certificates to the Company.

Registration of Nominations:

Nomination in respect of shares - Section 72 of the Companies Act, 2013 provides facility for making nominations by shareholders in respect of their holding of shares. Such nomination greatly facilitates transmission of shares from the deceased shareholder to his / her nominee without having to go through the process of obtaining succession certificate / probate of the Will etc.

It would therefore be in the best interests of the shareholders holding shares in physical form registered as a sole holder to make such nominations. Shareholders, who have not availed nomination facility, are requested to avail the same by submitting the nomination in Form SH-13 to the Company or STA. This form will be made available on request. Shareholders holding shares in demat form are advised to contact their DP's for making nominations.

Updation of address:

Shareholders are requested to update their addresses registered with the Company, directly through the STA to receive all communications promptly.

Shareholders, holding shares in electronic form are requested to deal only with their depository participant (DP) in respect of change of address and furnishing bank account number, etc.

SMS Alerts:

Shareholders are requested to note that National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) have announced the launch of SMS alert facility for demat account holders whereby shareholders will receive alerts for debits / credits (transfers) to their demat accounts a day after the transaction. These alerts will be sent to those account holders who have provided their mobile numbers to their Depository Participants (DPs).

No charge will be levied by NSDL / CDSL on DPs providing this facility to shareholders. This facility will be available to investors who request for the same and provide their mobile numbers to the DPs. Further information is available on the website of NSDL and CDSL namely www.nsd.co.in and www.cdslindia.com, respectively.

WABCO INDIA LIMITED

Timely encashment of dividends:

Shareholders are requested to encash their dividends promptly to avoid hassles of revalidation / losing their right of claim owing to transfer of unclaimed dividends beyond seven years to Investor Education and Protection Fund.

As required by SEBI, shareholders are requested to furnish details of their bank account number and name and address of the bank for incorporating the same in the warrants. This would avoid wrong credits being obtained by unauthorized persons.

Shareholders who have not encashed their dividend warrants in respect of dividends declared for the year ended 31st March, 2008 and for any financial year thereafter may contact the Company and surrender their warrants for payment.

Shareholders are requested to note that the dividend not claimed for a period of seven years from the date they first became due for payment shall be transferred to "Investors Education and Protection Fund" (IEPF) in terms of Section 125 of the Companies Act, 2013. Shareholders are requested to note that as per the Companies Act, 2013, unclaimed dividends once transferred to IEPF will not be refunded.

Web based applications - SEBI / NSE

In line with the circular No. CIR/OIAE/2/2011 dated 3rd June 2011 from SEBI, the investors' complaints are now centrally monitored through web based complaints redressal system called

SCORES. The Company processes the investor complaints through this system and updates status periodically.

In line with the circular No. NSE/LIST/C/2011 dated 29th September 2011 from the National Stock Exchange of India Ltd, (NSE) the Company now uploads its quarterly shareholding pattern, corporate governance report, financial results, corporate announcements through a web based application designed for corporates by NSE called NEAPS.

Information in respect of unclaimed dividends due for remittance into IEPF is given below:

Auditors' certificate on corporate governance

To

The Members of WABCO INDIA LIMITED

We have examined the compliance of conditions of corporate governance by WABCO INDIA Limited ('the Company'), for the year ended on March 31, 2015, as stipulated in Clause 49 of the Listing Agreement of the said Company with stock exchanges.

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreements.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditors' report

To
The Members of **WABCO INDIA LIMITED**

Report on the Financial Statements

We have audited the accompanying financial statements of WABCO INDIA LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and

perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2015, its profit, and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge

WABCO INDIA LIMITED

- and belief were necessary for the purpose of our audit;

WABCO INDIA LIMITED

Notes to financial statements for the year ended 31st March 2015

1. CORPORATE INFORMATION

WABCO INDIA LIMITED ("the Company") was incorporated originally as Auto (India) Engineering Limited on 18th November 2004. The name of the Company was changed to WABCO INDIA LIMITED on 2nd August 2011. The Company is into its present business pursuant to the scheme of demerger of the brakes division of Sundaram-Clayton Limited into the Company. The Company is primarily engaged in the manufacture of air brake actuation systems for commercial vehicles. The Company also provides software development and other services to its group companies.

On June 3, 2009, WABCO Holdings Inc., executed its step acquisition in WABCO and increased its percentage ownership to 75% by acquiring the shares from the other joint venture partner, TVS Group. Post-acquisition, the Company has become a subsidiary of WABCO Holdings Inc.

On June 28, 2013, M/s. Clayton Dewandre Holdings Limited, Rotterdam holding 75% of the equity shares of the company transferred the entire holding to M/s. WABCO Asia Private Limited, Singapore, a subsidiary of M/s. Clayton Dewandre Holdings Limited, Rotterdam.

2. BASIS OF PREPARATION

The financial statements of the company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting principles generally accepted in India, including the Accounting Standards notified under the Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2.1 Summary of Significant Accounting Policies

(a) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period.

(b) Tangible fixed assets

Fixed assets are stated at cost, less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

All expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred other than expenses which increase the future benefit of the existing assets.

Gains or losses arising from de-recognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is de-recognized.

(c) Depreciation on tangible fixed assets

Depreciation is provided using the Straight Line Method as per the useful lives of the assets estimated by the management, or at the rates prescribed under Schedule II of the Companies Act, 2013.

	Useful life of the asset (years)	Rate of depreciation
Buildings [@]	10-30	3.33% - 10.00%
Plant and machinery*	10-21	4.75% - 10.34%
Tooling*	3	33.33%
Computers*	3	33.33%
Office & other equipments [@]	5	20.00%
Furniture, fixtures and equipments [@]	10	10.00%
Vehicles*	6	18.00%

[@] In respect of assets which fall under the blocks Buildings, Office other equipments and Furnitures, Fixtures and Equipments, the Company has adopted the useful life prescribed as per schedule II of the Companies Act, 2013 from April 1, 2014. Consequently, depreciation on assets forming part of the opening net block as at April 1, 2014, which needed to be fully

Notes to financial statements for the year ended 31st March 2015

depreciated based on the revised useful life adopted, amounting to Rs. 139.80 lakhs (net of deferred tax amounting to Rs 71.98 lakhs) has been deducted from the General Reserve. If those assets would have continued to be depreciated based on the erstwhile useful life, the depreciation expense for the current year would have been lower by Rs 191.83 lakhs.

* In respect of the Assets falling under the Plant and machinery block, the useful life of the asset have been determined based on a technical assessment carried out by an expert during the year. In respect of other blocks, i.e Tooling, Computers and Vehicles, the Company believes that the existing useful life adopted by the Company is more representative of the useful life of the asset as compared to useful life prescribed in schedule II and continues to depreciate these assets over the existing useful life which is shorter than the Schedule II useful life.

Leasehold lands are amortised on a straight line basis over the primary lease period ranging from 30 to 99 years.

(d) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Costs incurred towards purchase of computer software are depreciated using the straight-line method over a period of two years based on management's estimate of useful lives of such software, or over the license period of the software, whichever is shorter.

Research costs are expensed as incurred.

(e) Impairment of tangible and intangible assets

The carrying amounts of assets are reviewed at each balance sheet date for any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

(f) Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value, if any, is made to recognise a decline other than temporary in the value of the investments.

(g) Leases

Where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item the leases are classified as operating leases. Operating lease payments are recognised as an expense in the statement of Profit and loss on a straight-line basis over the lease term. Operating lease arrangements of the Company are cancellable.

(h) Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a moving weighted average basis.

Work-in-process and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty. Cost is determined on a moving weighted average basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(i) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The Company collects sales tax and value added tax (VAT) on behalf of the Government and therefore, these are not economic benefits flowing to the Company. Hence they are excluded from revenue.

Notes to financial statements for the year ended 31st March 2015

Sale of goods

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects sales taxes and value added taxes (VAT) on behalf of the Government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

Income from services

Revenues from services are recognised as per the terms of the contract as and when services are rendered. The company collects service tax on behalf of the Government and, therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from revenue.

Interest

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Profit on sale of investments

Profit on sale of investment is recognised only at the time when the investments are realised.

(j) Foreign currency translation

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are re-translated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

(k) Retirement and other employee benefits

Retirement benefits in the form of provident fund and employee state insurance are defined contribution schemes. The Company has no obligation other than the contribution payable to the fund. The Company recognises the contribution payable to the above schemes as an expenditure when the employee renders related service. If the contribution payable to the schemes for services received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If on the other hand the contribution already paid exceeds the contribution due for the services received before the Balance Sheet date, then the excess is recognised as an asset to the extent that the prepayment will lead to reduction in future payment or cash refund.

The Company operates two defined benefits plans viz. gratuity and pension for its employees. Under the gratuity plan, every employee who has completed at least five years of service gets a gratuity on separation at 15 days of last drawn salary for each completed year of service. The scheme is funded with Life Insurance Corporation of India. The Company also operates a pension plan for selected senior managers, the eligibility and the terms and conditions of payment are at the discretion of the company. Gratuity and pension liabilities are defined benefit obligations and are provided for on the basis of an actuarial valuation done as per the projected unit credit method as at the end of each financial year.

Short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation at the year end. The actuarial valuation is done as per projected unit credit method.

Actuarial gains / losses are taken to the statement of Profit and loss and are not deferred.

The Company has a scheme of voluntary retirement applicable to certain employees. The amount payable under such scheme is expensed to the statement of profit and loss when the option under such scheme is exercised by eligible employees and accepted by the Company.

Notes to financial statements for the year ended 31st March 2015**(l) Income tax**

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Deferred income taxes reflects the net impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each Balance Sheet date the Company re-assesses unrecognised deferred tax asset. The Company recognises all unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

(m) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares if any.

(n) Provisions

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates or on actuarial valuation where applicable.

Warranty provisions

Provisions for warranty related costs are recognized when the product is sold or service provided. Provision is based on historical experience. The estimate of such warranty related costs is reviewed annually. A provision is recognized for expected warranty claims on products sold, based on past experience of the level of repairs and returns. Assumptions used to calculate the provision for warranties are based on current sales levels and current information available about returns.

(o) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company. It includes a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. It also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

(p) Government grants and subsidies

Grants and subsidies from the government are recognized when there is reasonable assurance that (i) the company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received. When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset.

Where the Company receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value. Government grants of the nature of promoters' contribution are credited to capital reserve and treated as a part of the shareholders' funds

(q) Cash and Cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.
