Dear Sirs,

Sub: Verification - December 24, 2018 - WABCO India Ltd (533023)

This is with reference to the media report, "WABCO signs \$950 million supply pact with commercial vehicle maker" published in auto.economicstimes.indiatimes.com on December 21, 2018. The Company was requested by the BSE Ltd., to submit its clarification in terms of compliance related to the provisions of Regulation 30 of the Listing Regulations, 2015 related to this news article.

As you are aware, WABCO is a multinational group having business interests and manufacturing facilities across various countries worldwide. The press release referred to by you has been provided by the WABCO Group headquarters, situated in Brussels, Belgium through Mr. Nick Rens, WABCO President, EMEA (European Region). The said press release specifically states that WABCO will equip two of the OEM's brands with its braking, advanced driver assistance systems (ADAS) and efficiency technologies, being the sole supplier to the OEM for electronic braking systems (EBS) in Europe and anti-lock braking systems (ABS) in Brazil.

This has got nothing to do whatsoever with our Company, WABCO India Ltd. Further, it may be noted that there is no mention of India or WABCO India Ltd., anywhere in the said press release.

Hence the requirement to make a disclosure under Regulation 30 of the Listing Regulations, 2015 did not arise in this particular instance for our Company. Further, we, WABCO India Ltd., have always been meticulously ensuring that all the appropriate disclosures and information are being disseminated to the exchanges in a timely manner to ensure information symmetry and this practice will continue in future also.

Please acknowledge the receipt of the letter.

Thanking you,
Yours faithfully
For **WABCO India Limited**
