

# AIR DRYERS

## AFTERMARKET SOLUTIONS

Protect your investment with WABCO genuine air dryers. WABCO's air dryer portfolio includes solutions for the entire lifecycle of a commercial vehicle including new/service exchange, remanufactured and ProVia quality aftermarket air dryers.

### NEW/SERVICE EXCHANGE

- Available models: HP, 1200 Plus, 1200, 1200P, 1200UP, 1800P
- Simple, lightweight design allows for easy installation
- Premium desiccant provides greater water adsorption
- Spin on cartridge allows for easy change over and reduced downtime, taking less than 5 minutes to replace (available in standard or coalescing)
- Service components are external for easy replacement and available as separate repair kits

### REMAN

- Available models: System Saver 1200, 1200 Plus, 1200P, 1200UP, 1800P
- Remanufactured in state of the art facility in Rochester Hills, MI
- All remanufactured components are replaced with OE quality parts
- Helps customer maintain a cost effective supply of parts as vehicle life extends
- Remanufacturing process minimizes the likelihood of leaks, contributing to optimal performance of the air dryer and downstream air system components
- Helps to support sustainability with the ultimate recycling option

### PROVIA

- Universal design that covers multiple OE applications
- Designed to perform better than comparable brands
- Installed with a high quality ProVia cartridge delivering excellent drying performance in the field
- Backed by a one year warranty
